

LANCE J. MALBURG, P.E.

QUALIFICATIONS AND EXPERIENCE

EDUCATION

- ♦ Illinois Institute of Technology; Chicago, IL – 1996

Bachelor of Science degree in Engineering-Civil

REGISTRATIONS & ASSOCIATIONS

- ♦ Colorado Registered Professional Engineer #36686
- ♦ Member of American Society of Civil Engineers

PROFESSIONAL SUMMARY

Lance's professional experience in the field of civil engineering since 1994 has ranged from analysis, planning, design, coordination, observation, and management of commercial and residential land development projects and public sector roadway improvement projects.

As a professional engineer, Lance has managed civil infrastructure assessment and design projects ranging from 2 acres to 1,100 acres in size and includes utilities, grading, drainage, erosion mitigation, stormwater management, roadway, and site development systems. Lance has a proven track record of developing close relationships with his clients through collaboration and timely delivery of projects with cost effective infrastructure solutions.
